Package Details – for EMAAR Communities villas at Emirates Hills

EMRILL is a tripartite joint venture with equal shareholding between Emaar Properties PJSC, Al Futtaim Real Estate Investment LLC and Carillon PLC.

Premium Services includes a wide range of services which aim to take away much of the stress, inconvenience and expense that goes with looking after your home.

We are able to provide a resource for all maintenance services and improvements to your property, including the implementation of a planned preventive maintenance programme.

We hope you benefit from the peace of mind, which Premium Services can bring, in knowing that if a crisis does occur, there is someone you can call on to take care of it.

We look forward to making your life easier.

YOUR HOME

Your Home is probably the single largest investment that you have made and we would strongly urge you to ensure that it is properly maintained, if you wish to grow the level of your investment.

It is important too, that you entrust the maintenance of your property to a qualified company that knows the specific installations and materials in your home, with technicians who are familiar with your property type.

BENEFITS

There are many advantages to maintaining your systems and the most important is improved over all efficiency.

- Advantage to your air conditioning systems are - reduced operating / running cost, maintaining the air quality, air movement and comfort and a reduction in breakdowns.
- Maintaining your water systems ensures reduced water losses through flushing system and pipelines, consistent water pressure and pump efficiency.
- Your electrical distribution system will benefit from regular safety checks.
